UV PROTECTION

John Kevin's UV Protect garments are Internationally certified to block out 97% of UVA & UVB radiation, protecting you from the harmful effects of the sun. Combining the soft touch fabric with the increased blockout means you stay cooler and more comfortable. Add to this the benefit of increased anti-see through properties and easy care wash & wear and this is the perfect shirt for all applications.

Quality, comfort and fit.

At John Kevin, we pride ourselves on quality. Our garments are designed for maximum comfort and provide a variety of styles to suit men and women of all ages and sizes. All John Kevin fabrics are sourced from the finest accredited mills and exhaustively tested for strength, resistance to pilling, colour fastness and easy care. And this year we have introduced a new range of unique UV Protection garments.

With an expansive colour palette and fabric choice, you're sure to discover a garment that's the perfect fit for you.

Unique UV protection garments

John Kevin is excited to introduce a new range of unique UV Protection garments. Sourced for perfect suitability to corporate clothing in our harsh Australian environment. These breathable, lightweight, wash & wear fabrics are Internationally certified to block out 97% of UVA & UVB radiation, protecting you from the harmful effects of the sun. Combining the soft touch fabric with the increased blockout means you stay cooler and more comfortable. Add to this the benefit of increased anti see-through properties and easy care wash & wear and this is the perfect shirt for all applications.

Women

How to measure:

BUST - Measure the fullest part of the bust.

WAIST - Measure your waist at the smallest part of the torso.

HIPS - Measure around the fullest part of the hip area for a comfortable fit.

FRONT BODY LENGTH - Measure from highest point of the shoulder to hemline.

Measurement and fit guide

To ensure you are totally satisfied with your John Kevin purchase, we advise that you follow this fitting guide when selecting your product.

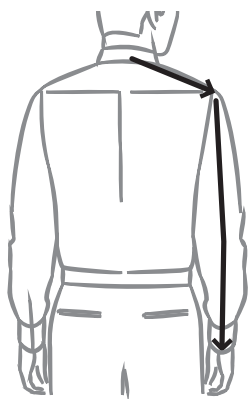

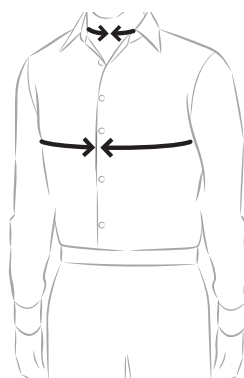

Men

How to measure:

NECK - Measure the base of the neck, adding a centimetre for comfort.

CHEST - Measure the fullest part of the upper torso as your chest guide.

SLEEVE - To measure the sleeve, start at the centre point of the back of the neck, measure across to the top of the shoulder and down to the wrist.

SEMI TAILORED FIT - For a more relaxed fit our traditional semi tailored range is suitable for most body types. With a generous cut for comfort and slight tapering through the body.

SLIM FIT - Cut to flatter with a modern tapered silhouette, our slim fit range in stretch or non stretch offers a more tapered fit through the chest and waist.
